SIR,

Enclosures.

730 W 8.13.4.91

The Surrender of Rs. 6,600 from the grant for Shattatope Am cut Bridge for 1890-91 was made in my letter of 99 W dated 5 March 1891 as the Bridge would not be completed in the year & tested by this Department.

It was Colonel Burton's intention that until the Bridge had been tested after completion and found satisfactory, payment for the iron work should be withheld.

Messrs. Burn & Co. are urgent in their demand for

or 1
that the iron work was
tested by them as required
before despatch - and Con-
ditions satisfactorily fulfilled.

Mr. Davidson the
Executive Engineer of South
Arcot Division recommends
that payment might be
made to the extent of 80 per
cent as per deflection in
excess of the limit allowed
would be rectified by the
addition of a girder in each
span. I concur with the
Executive Engineer and have
the honor to request that I may
be permitted to pay Messrs.
Burns & Co. to the extent of
80 per cent. in anticipation
of payment of funds for the
work in the current official
year.

I have the honor to be
