RESOLUTION.—Under the orders now in force [Volume III-1-9 as modified by Standing Order No. 21 of 20th August 1890], articles of Tools and Plant, as defined in Public Works Department Code, Volume I-X-54, are charged in the Capital Accounts of a line to the following heads and sub-heads :—

(1) to Individual Works;

(2) to Plant { Engineering, Locomotive, Carriage and Wagon, Station and Office Furniture, General Charges;

but in consequence of the general abolition of work vouchers very great difficulty is now experienced when any attempt is made to check the half-yearly returns relating thereto.

2. To obviate this, the Government of India is pleased to direct that work vouchers be submitted to audit for each of the sub-heads enumerated under (2) above; and that in the case of Tools and Plant issued to "Works" a work voucher be also submitted under "Plant, Engineering," for all articles that may be considered as of a lasting character. Perishable tools, such as spades, phowrahs, picks, &c., may be debited direct to Works; but a numerical record somewhat similar to the material-at-site account should be maintained in the executive office of all articles so debited. This latter return need not be sent to audit.

ORDER.—Ordered, that a copy of the above be forwarded to the Local Governments, Administrations and Officers, noted in the margin, for information and guidance.

The Governments of Madras and Bombay (General and Railway), Bengal, the North-Western Provinces and Oudh, and the Punjab.
