Sir,

Enclosures.

With reference to your Memorandum No 2239 C dated 24th April 1891 I have the honor to state that I have been unable to secure the services of the draftsman I had hoped to get, but employed two young inexperienced draftsmen on Rs 40 each instead of the one on Rs 150 and one on Rs 60. I can now get a good experienced man who was formerly employed under me for Rs 100 p. The proposed arrangement will enable me to employ 4 men instead of 3 but at a somewhat less total cost than that sanctioned for three men. The reason for employing two many

is that the pressure of work in the office requires the number now asked for and it appears to me to be probable that they will be required for some time to come. The sanction is however asked for one year from the date 30th April 1891 to 30th April 1892. If they are found to be necessary after that period fresh sanctions will be applied for before the close of the current official year which will allow one month's notice to be given in case of dismissal.

The draftsman sanctioned per Rs 60 was appointed from 1st January 1891 and the two draftsmen on Rs 40/ each were employed from 1st March 1891
