Letter from W. Joff Esquire, Executive
Engineer, Krishna Eastern Division to
the Asst. Engineer, 2nd Circle, d/11th April
1891 No 207. 1338
✓

Under instructions conveyed in
para 3 of G.O. No 2695 W of 14-10-90
advertisements were inserted in the
Gazettes as intimated to you in my
letter No 5168 ³¹⁻¹⁻⁹¹ calling for tenders
for the sale of surplus iron borne
on the stock of this Division.

2. Tenders were received from
the Engineer-in-Chief, Krishna Bridge
and from one S. Pabappa of Raja-
mandri.

3. Both of these tenders offered
to take certain quantities of metal
at rates at which it was borne on
the books of the Division without
any addition of centage.

4. As these tenders seemed to
me to be fair and highest that

that would be made, I accept them
with the verbal Approval of the Supt.
Engineer

5. Subsequently on the 4th of March
1891, G.O. No. 4314
16-2-91 was Communicated
to me; in which it is laid down that 10
percent is to be charged on transactions
between the Work-Shops and State
railways.

6. In these circumstances, I request
that you will be so good as to get
formal approval to the two trans-
actions referred to above and noted
in detail in the accompanying
Statement.

No 217 P.B.

Cerpy forwarded to the
Chief Engineer, Public Works
Department with a request
that under the reasons stated
above sanction of Government
may be obtained to confirm the
Sales of iron as per enclosed
