To

The Honorable J. H. Preece

CHIEF SECRETARY TO GOVERNMENT,

Fort St. George.

Dated Koilpatti 2nd, March 1891.

SIR,

In G. O. dated 21st December
1889 no. 1413 R, the Government was pleased
to sanction the preparation of estimates for
the construction of a building on the stand
and plan for the office of the subregistrar
of Mettupalayam in the Coimbatore dis-
trict. Subsequent to the date of the
Government order, the old sub-jail
building at the station adjoining the Dy.
Tahsildar's office has become vacant by
the construction of a new Subjail and the
permission of the Collector has been obtained
for utilizing the vacant building for the
subregistrar's office. The building in its present
state not being suited for a subregistrar's
office, the Public Works Department was

addressed by the District Registrar in view to estimates being prepared for adapting the building for an office. With his letter (copy enclosed) dated 21st February 1891 No. 68^m, the Superintending Engineer of the 4th Circle has forwarded an estimate amounting to Rs 700 for converting the building into a Subregistrar's office and has requested that the sanction of Government may be obtained for allotting funds for the execution of the necessary improvements during the ensuing official year. I inspected the Subjail building in October last and find that with the improvements proposed to be made, the building will meet the requirements of a Subregistrar's office.

2. In the circumstances stated above, I beg to recommend that in lieu of a new building on the standard plan sanctioned for construction in G.O. dated 21st December 1889 No. 1413 R, the old Subjail building be fitted up and used for a Subregistrar's office. I also request that Government will be pleased to direct that funds may be allotted for carrying out the improvements proposed by the Superintending Engineer early in 1891-92.

Shame the honor to be

NOTE OF REMARKS, 28.4.91

The estimate under review
amounting to Rs 700 pro-
vides for converting the
old Sub-jail building
into a Sub-Registrar's
Office at Mettupalayam
in the Coimbatore District.

In G.O. No. 10677 of 15th January
1890 the S.E. IV circle was
instructed to prepare a
plan & estimate on the lines
of the Standard design for a
Sub-Registrar's office at
Mettupalayam in the Coimbatore
District.

At that time the Sub
Registrar's office was loca-
ted in a rented buildg
which did not afford
sufficient accommoda-
tion & was considered
unsafe, it therefore
proposed to utilize
the old sub-jail building

for the Sub Registrar's office
improving the same at a small
cost instead of constructing
a new building in accordance
to the standard design.

The Inspector General of
Registration has inspected
the old Sub Jail & is of
opinion that with the
improvements proposed
it will meet the require-
ments of a Sub Registrar's
office.

Report is submitted.

Sub-Div. showing an excess
of Rs 30 in the estimate.

been countersigned by the

& approved in the judicial
