MAJOR C. H. P. CHRISTIE, R.E.,

EXAMINER OF P. W. ACCOUNTS, MADRAS,

To

The Secretary to Government,

No. 2593. Public Works Department.

Madras, 4 May 1891.

Sir,

With reference to G.O.No.987 W.dated 8th.April 1891 sanctioning the debit to Imperial Military Funds of the whole of the cost of the building purchased at Yercaud for use partly as Sergeant Instructor's quarters and partly as an armoury for the Yercaud Volunteers, I have the honor to point out that, under India Army Regulations Volume IX, Section XVIII para 480(see also Government of India Circular No.I 3.2.91 Railway dated 19th.January 1891) the provision of armouries for Volunteer Corps should be met from the capitation grant of the corps, and that the debit of the whole cost of the building to Imperial Military is therefore apparently irregular, and that to that extent the grant of funds made in G.O.No.503 W.dated 2nd.February 1891 seems objectionable.

2. With a view to avoiding the irregularity now noticed, it would I think, be better to meet the cost of the portion of the building set apart for use as an armoury from the capitation grant of the Yercaud Volunteers, but if the Government consider it desirable to maintain the orders already passed, I beg that the confirmation of the Government of India may be obtained.

I have the honor to be,

Sir,

Your Most Obedient Servant,

Sir,

No. 303 W dt 2-2-91

I am directed to forward, for the confirmation of the Govt. of India, the Proceedings of this Govt marginally noted, sanctioning the purchase of a building at yercaud, Shevaroy Hills, for adaptation jointly as quarters for

the Sergeant Instructor and Rifle Volunteers and for an armoury for the Corps.

2. In his letter No. 2593 dated 4th May 1891, the Examiner P.W. Seeds (copy enclosed) points out that the appropriation of funds from the grant for military works for an armoury for a Volunteer Corps is opposed to para 460 Sec XVIII, Vol. IX India Army Regulations and to Govt. of India Circular No. I Railway dated 19th January 1891, but in view of the inconvenience which would result if the building belonged partly to the Govt and partly to the Corps, this Govt considers it desirable that it should be acquired

and maintained by the State, a fair rent being charged to the Corps for the portion occupied by the armoury.
