19TH MAY 1891, No. 1359 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From J. C. LARMINIE, Esq., Executive Engineer, Coimbatore division, to the
Superintending Engineer, IV Circle, dated Erode, 3rd May 1891, No. 2740.

I have the honour to inform you that the building, known as the late District Munsif's court at Salem, was in the occupation of the Police Department since the end of 1882, its history prior to that date not being known in this office. It was used as the quarters of the Special Inspector of Police in charge of the Punitive Police established in Salem after the riots, who occupied it till 30th November 1884, when the Punitive Police were abolished. The building has since been in the occupation of either the Salem Reserve or Taluk Inspector of Police and rent recovered from him by the Superintendent of Police and paid to the credit of this department. The Inspector having no further use for the building, the Superintendent of Police suggests its being taken over by this department. It was vacated by the Inspector on the 12th December 1890 and taken over by this department. As the building has since been vacant and is not required by the department, its retention necessitates the employment of a watchman. I have asked the heads of other departments if they require it; their replies are in the negative.

2. I have, therefore, the honour to request you will be good enough to obtain the sanction of Government, under para. 1033 of the Public Works Code, for the sale of the building by public auction.

No. 235/E W.

Copy submitted to the Chief Engineer, Public Works Department, with a request that he will be good enough to obtain orders of Government, authorizing the sale of the building—late District Munsif's court at Salem—by public auction.
