1

With reference to his
No 3660, dated 25th March
1891, submitting a proposition
statement for revision of
establishment in the
Cuddapah Division, the
Suply Engineer III Circle
is requested to explain
fully the circumstances
in which the records of
the Division were allowed
to accumulate, and the
necessity for two additional
clerks to sort them.

Statement of proposition
for revision of establishment
of the Pudduch Division

Copy of letter No 57 Df 27th April 191
received from the Executive Engineer
Pudduch to the address of the
Superintending Engineer, Pudduch.

In reply to your endorse-
ment No 49 Df 15/4/91 on
Chief Engineer's Memo No 1933C
of 4/4/91,
I have the honor to state that it
is not difficult to explain exactly
how the records accumulated
so much as to require a special
establishment for sorting and
destroying them.

2. I understood that on the abolition
of the Lake Eastern Sub. Division
its records were sent to the Division
Office which got also mixed up.
Again you are aware that there
was taken much sickness amongst
the Clerks of this Division, which
also must have contributed amongst
other reasons to the accumulation
of records which from want of
time could not have been properly
arranged and looked after.

3. These accumulated records
were seen by yourself and
thereupon you were pleased

to order me to send
application for the
required for exam
staying there.
