G.O., dated 23rd April 1891, No. 297, Educational.

Read—the following paper:—

From the Director of Public Instruction, dated 4th April 1891, No. 3688.

ABSTRACT.—Recommending, for sanction, an estimate, amounting to Rs. 11,750, for extending the Government building now occupied by the Native College, Madura.

Order—dated 23rd April 1891, No. 297, Educational.

The plans and estimate are approved and will be transferred to the Public Works Department; the sanction is, however, subject to the conditions referred to in para. 6 of the Director of Public Instruction's letter.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

ENCLOSURE.

EXTRACT from the letter of the Director of Public Instruction, dated 4th April 1891, No. 3688.

Para. 6. I would add in conclusion that I would make it a condition of the sanction that the lower secondary and primary classes be made available for practising purposes if the District Board desire so to use them in connection with the Technico-Normal school; also that the Normal students should be admitted free to attend the drawing and other superior technical classes which may hereafter be established. I informed the committee of this when in Madura last, and I understood that no objection could be raised to such an arrangement if the Government constructed the extension.

ORDER—dated 23rd May 1891, No. 1404 W., Public Works.

The estimate, amounting to Rs. 11,750, for providing additional accommodation to the Native College at Madura, is sanctioned.

2. The Superintending Engineer will report the amount which can be spent on the work during the current official year.

3. This sanction has been registered as Provincial No. 19 W. of 1891-92 and classified as Civil Buildings, Original Works.
