Proposed to send
this paper to W for

There may be
special reasons for
fixing the Gen. Secy's
headquarters at the
place on the other.

Major Henderson
is posted to Nagasaki
Mr. A. G. G. is
referred to his post.
But at the most
important work
are in Langport, I
think that Langport
may be constituted
his post while he has
charge of both Sns.
He will probably remain
in charge of Langport

8th May 1891

From

Major C. B. Henderson R.E.
Executive Engineer
Tanjore Division

To

The Superintending Engineer
5th Circle
Madras

Sir,

I have the honor to request that
Tanjore may be declared my Head Quarters
while I am in charge of the Tanjore and
Nagapattinam Divisions, unless this is done
I shall have to pay rent for the Exec.
Engineer's house at Nagapattinam, though
I do not occupy it. Tanjore is more
central, nearer the large regulators
and the work in Tanjore is much
heavier than the work in Nagapattinam
Divisions

I have &c &c
