SUPERINTENDING ENGINEER'S OFFICE,
V Circle, Madras,
Chepâk, 9 April 1891.

From

Major D Mc Campbell R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
P.W. Department.

SIR,

Enclosures.

I have the honor to inform you that 3 bottles of Violet ink were purchased for Rs- 1-12-0 by the Executive Engineer Megapatam Division and he charged it in his Contingent bill for January 1891, but the Examiner of P.W. Accounts disallowed it under Code para 842 and requests sanction of Government for audit of the same.

The Executive Engineer reports that the ink was purchased from Messrs Bloomfield & Co on the impression that a supply from other sources than the maker of the Stamp itself, might not suit the purpose.

I request therefore that sanction of Government may be obtained for Rs 1-12-0.

I have the honor to be
Sir
Your most obedient servant
D Mc Campbell Major
Superintending Engineer V.C.

Your office note No.2355 C. of 2nd. May 1891.

Under P.W.Code para 842 as modified by standing orders Nos.180and 1396 articles of country stationery can be purchased in the local market without the sanction of Government after ascertaining from the Stationery Department that the article is not obtainable on indent. In the present case, there is nothing to show that the Superintending Engineer 5th.Circle indented on the Stationery Department for the violet ink, and the article in question is supplied by the Stationery Department. Sanction of Government to the purchase of the article from the local market is therefore necessary.
