Ag Collector of the
Chingput District.

To

The Executive Engineer
Buckingham Canal

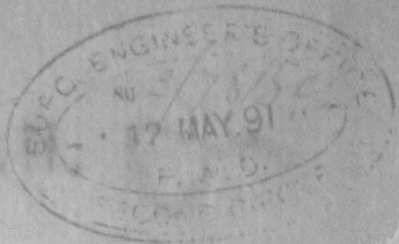

Sir,

With reference to your letter No. 132 dated 15th Instant, I have the honor to state that the salaries of Stock Inspectors range from Rs 50 to 75 and their duty is generally to treat the cases of Cattle diseases in the district. The famine Code is silent in regard to the security to be taken from temporary cashiers, but I think that personal security should be demanded from them for Rs 700. during their employment as temporary cashiers on famine relief works.
