With reference to G.O., Public Works Department, No. 888 W., dated 28th March 1891, communicated to this office with Military Department No. 2104, of the 13th ultimo, I am desired to forward, for the information of Government, the accompanying copy of a communication * from

* Letter No. 1846 B. of 2nd May 1891. the Director-General of Military Works to the Chief Engineer, Military Works, suggesting that the Government of India be addressed, regarding the cost of the maintenance of the buildings in the European Prison to be utilized for Military purposes.

ENCLOSURE.

From the Director-General of Military Works in India, to the Chief Engineer, Madras Command, Military Works, dated 2nd May 1891, No. 1846 B.

I have the honour to acknowledge the receipt of your No. 3424, dated 21st April 1891, relative to the maintenance of certain old Jail buildings at Ootacamund, which it is proposed to hand over to be occupied by Staff officers and their offices.

2. The buildings referred to are not under the charge of the Military Works Department, nor is it apparently proposed to hand them over to this department. Under these circumstances the cost of repairs cannot be debited to the Military Works grant under my control.

3. If the Madras Government desire to debit the cost of maintenance of these buildings to the Military Works grant at their disposal, I suggest that they should address the Government of India on the matter.

No. 2814.

Transferred to the Public Works Department for favour of necessary action with reference to O.G., No. 888 W., dated 28th March 1891.

OOTACAMUND, (Signed) A. R. KENNEY-HERBERT, Brigdr.-Genl.,
21st May 1891. Secy. to Govt., Military Department.

ORDER—dated 1st June 1891, No. 1485 W., Public Works.

The objection to accept the cost of maintenance of the buildings in question seems to be based on the ground that they have not been handed over to the Military Works Department. The intention of G.O., No. 888 W., dated 28th March 1891,

was that the buildings should be so handed over. If the Military Works Department are not prepared to keep the buildings in repair, they will be resumed for Civil purposes.
