From the Govt. of India, P.W.D. N.E. No. 196 dy. d/29 Decr. '90

Ordered that the following reply be sent to the Government of India.

N.E. No. 151 Wdy 17 Janry. 1891.

To

The Secy. to the Govt. of India
P.W. Dept.

Sir,

In reply to your letter No. 196 A.G. dated 29th December 1890 I am directed to state that the correspondence between this office and the Examiner P.W. Accounts on the subject of the P.W. Accounts Committee's report has become very voluminous

and that an Executive Engineer has been attached to the P.W. Secretariat on special duty to deal with the whole matter and place it before Govt. in such form as to admit of early disposal.

This Govt. therefore hopes to be in a position to submit its views to the Govt. of India at no distant date; when the question of the proposed change in the system of appropriations for works and repairs both in the Buildings and Roads and in the Irrigation Branches will be reported on among subjects.
