6. The sum of Rs. 3,277 applied for by the Superintending Engineer, III Circle, for additions and improvements to the Mahal at Gurramkonda in the Cuddapah district is appropriated from the reserve with the Government for the conservation of Archæological works.

7. The demands in most cases are for works for which provision has either been made in the budget or in Government orders subsequently issued. Funds have now been provided for all other works brought forward by Superintending Engineers and the Consulting Architect to Government with the exception of items 55 and 113 for which estimates have not yet been sanctioned. The question of providing grants for these works will be considered on receipt of estimates which are said to be under preparation.

READ—the following paper :—

From M.R.Ry. S. SRINIVASA RAGHAVA AIYENGAR Avergal, Dewan Bahadur, Inspector-General of Registration, to the Chief Secretary to Government, Judicial Department, dated Coimbatore, 11th November 1890, T. No. 5278.

I have the honor to submit, for the sanction of Government, plans and estimates for the construction of sub-registry offices at Jammalamadugu, Sidhout, Kadiri and Madanapalle, in the Cuddapah district, received with the letters of the Superintending Engineer, III Circle, Nos. 1703 and 1736, dated 10th and 12th September 1890, together with copies of the correspondence* between him and this office regarding the sites at Sidhout and Madanapalle.

* T. No. 5056, dated 31st October 1890, to the Superintending Engineer.
No. 2301, dated 5th November 1890, from the Superintending Engineer.

2. The necessity for the construction of offices at these four stations was brought to the notice of Government in this office letter embodied in G.O., dated 2nd July 1889, No. 1751 W., communicated in G.O., Judicial, dated 22nd idem, R. No. 805.

3. The Superintending Engineer states that, as the Villupuram-Guntakal Railway has "taken all the labor and raised all the rates," the construction of the sub-registrar's office at Pílér, for which a sum of Rs. 2,358 has been granted in G.O., No. 1877 W., dated 10th July 1890, cannot be proceeded with until the railway works in its vicinity are completed, and recommends that the funds allotted for Pílér may be transferred to Madanapalle. I have no objection to the transfer proposed, and I beg that it may be sanctioned.

Approved and transferred to the Public Works Department where orders will also be passed on the transfer of funds suggested in para. 3 of the letter.

Ag. Assistant Secretary.
