Letter from the Executive Engineer, Trichy
Propoly Division to the Superintending
Engineer M. Loirde No. 273.E dated
14th April 1891.

I have the honor to inform you
that the work of repairing the old
Collector's Bungalow for Postal
Department, Estimate Rs 470, San-
ctioned in Register No. 15 of 1890-91,
has been completed in last year
as approved in your endorsement
No. 1348 T.C. of 27-1-91, and a sum of
Rs 188, allotted in your No. 1093 M.D.
of 13-2-91, was paid to the Contractor
in last March, and a balance of
Rs 307 is still due to him.

2. There is also another bill to the
amount of Rs 77-7-8 for work
done on repairing the Kothaval-
-Chavady Post office estimate
Rs 90 Sanctioned in Register No. 11 of
1890-91 and the payment was
deferred for want of funds.

3. From the Preliminary issue of the Imperial Budget for the current year, it will be observed that no allotment is granted to this Division. I request therefore you will be so good as to permit me to clear off the liabilities in anticipation of sanction of grant under this head.

N^o 1117 c d / 10 April 1891.

The liabilities should be settled at once. They should have been cleared before the 31st March 1891, as the demands, in the two cases, amount to only Rs 384, explaining the cause of excess in the Progress Report for the above month.

2. The work referred to in para 1 was certainly very urgent, and it was necessary that it should have been finished at once to enable the removal of the Post office to the building.

3. No provision was made in the preliminary issue of the current year

year's Budget, as no money was applied for by the Executive Engineer under the head in his Budget.
