PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Letter from the Registrar of Assurances, South
Canara, dated 10th March 1891, No. 680.

In reference to the order in the annexed
extract of remarks from the Registrar's recent
report of inspection of the sub-registrar's office, Bain-
deur, I have the honor to state that the portion of
the building occupied by the Sub-Registrar belongs
to the Taluk Board, Gundapur, and the other
portion of it appears to have been made over to
the Police Department for the location of the
Station House. That part of the building
which is now occupied by the Sub-Registrar, being
very old, it is infested with white ants and although
it was repaired to some extent by the Taluk Board
lately, the ravages of white ants have not, in any
way, been diminished in spite of every precaution.
It is not likely that the Taluk Board, Gundapur,
would undertake to repair the office to the extent
required by this department. The present record
room is not so safe as it ought to be. Besides this,
the town is badly off in respect to private buildings,
consequently no suitable private building can be
got

got even for higher rent.

3. - Under the circumstances, I am humbly of opinion that the question of providing a separate building for the accommodation of the Sub Registrar deserves early attention.
