Letter from the Superintending Engineer

III Circle No. 1123 of 18th July 1890.

The Revised estimate
for constructing a
Deputy Tahsildar's
Cutcherry at Kurnool
is returned to the
Supty. Engineer III
Circle with the remark
that the Chief Engineer
does not consider that
there is any necessity
to go to the expense
of 476 for ceiling

the building.

The reason assigned
for the proposed
substitution of Mangalore
tiles for flat and
pot tiles is an
anticipated delay in
procuring the latter,
but seeing that the
estimate was sanctioned
in March last the
Chief Engineer considers
that arrangements
should have been
made ⁱⁿ before this for
procuring these tiles.
The Superintending
Engineer will report
if this description
of roof cannot now
be employed.

if the work is now
so far advanced
that great delay will
be incurred by us
the description of roof
originally sanctioned
the revised
may be made
provision being
for Mangalore tiling
but the ceiling being
omitted.

The location of the District Commissioner's court at
Darkapur having only just been finally settled,
it is not likely that the full grant of Rs 10,000
will be spent, since it will take time in
getting the estimates sanctioned, which will
be submitted shortly.

Converting the Apothecary's quarters into a
residence for the District Surgeon: - the grant
is not required if the estimate submitted
for a separate residence for the District
Surgeon at Anantapur be sanctioned.

Combined office for the Magistrate and
Sub Magistrate at Cuddapah: - There is no likeli-
hood of spending the full grant of Rs 16,000 pro-
vided for this work, and therefore it is proposed
to resume Rs 6,000 and transfer to other works
in other divisions.

Not more than Rs 2,500 will be spent on
constructing Head Assistant Collector's Residence
at Nandyal, it is proposed to transfer this
sum also to other works.

As there are enough of estimates sanctioned
for repairs in the Bellary and Kurnool Divi-
sions, the additional amount of Rs 2,600
and 3,000 respectively now applied for is
unnecessary.

Additional sum applied for the Salary Office
adwait is required to complete the work during
the year.

The amounts surrendered balance the amounts
required in addition to existing grants. Further
demands will be made hereafter for funds for
large cutcherries at Madakaira, Hindupur and
Apatri which can partly be met from the
Cuddapah Jail where it seems probable that at
least Rs 5,000 of the grant for this year cannot
be spent. The chief reason why the grants

cannot

cannot be fully spent is that in Kurnool District
we have not yet recovered from the
effect of the B. K. S. Railway construction
raising rates and in the Western portion
of Cuddapah District and in the Anantapur
District we are handicapped by the opera-
tion of the Kullapuram Guntakal Railway
construction. Should cholera break out
as it threatens in Cuddapah, grants will have
to be freely sacrificed. The fact is that
with our small establishment and large
charges we cannot expect to get through
more than a limited amount of money
yearly in this circle taking into account
also the prevailing unhealthiness in many
parts and the scanty population.

I have the honor to be
Sir

NOTE OF REMARKS.

The revised estimate under
current sanctioning to
Rs 11,199 for constructing an
Deputy Engineer's Office at
Kumpli in the Bellary Dist.
is submitted for sanction
in suspension of the Est.
for Rs 10,120 sanctioned
in G.O. No 837 of 14th
March 1890 -

The excess viz Rs 1079 is
stated to be due to the
increased costs having
been increased from
9" to 1 1/2", for excavating
foundation, which was
omitted in the original
estimate, and for roofing
with Mangalore tiles & chimneys
instead of flat & pan tiles
as originally proposed.

The rate for Mangalore
tiled roofing is slightly
in excess of the schedule
rate viz Rs 27-11-0 against
Rs 26-12-0 by adopting the
this rate the saving affords
of Rs 1-10-0.

not worth questioning
the rate for building cannot
be checked, the other rates
are the same as those
in the sanctioned Est. -
The estimate has
not been countermanded
but the collector has
approved in the Revenue
Dept. -
