Volunteers.

I am directed to acknowledge the receipt of your letter No. 1752, dated the 21st March 1891, submitting, for the decision of the Government of India, question as to the source from which funds should be supplied to provide quarters for Sergeant Instructors and for the erection of a magazine, which may be required expressly for use in a Volunteer Corps on account of the head-quarters being at a distance from a station in which British troops are quartered.

2. In reply I am to say, for the information of the Governor in Council, that Government either provides Sergeant Instructors' quarters or pays compensation in lieu. In the case of Volunteer Corps quartered at stations where there are no British troops, the cost of providing a magazine should be charged to the corps funds under Para. 460 of Army Regulations, India, Vol. IX.
