Notes of the audit of the travelling allowance journals of No.2 Party Tank Restoration Scheme, at Palamcottah, on the 15th. May 1891.

The existing establishment of this party consists of

1 Overseer

1 Clerk

3 Draftsmen and

3 Lascars.

All of whom are on a purely temporary footing, i.e. not holding any substantive appointments. Service books are therefore not maintained for any of them.

2. The travelling allowance journals of the above members (excepting the Overseer) were audited for the months from April 1890 to March 1891 and found correct.

3. Column 6 headed "object of journey" of the journal (Form No. M. 152 A) of lascars is sometimes filled in and sometimes not. It was stated that the column had not been filled in, in cases in which the lascars accompanied the Executive Engineer on tour, but that the column would be filled in in all cases in future.
