PUBLIC WORKS DEPARTMENT.

LETTER—to

THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

MY LORD,

We have the honour to forward, herewith, five copies of each of the following budget estimates of the Public Works Department for the year 1891-92:—

Final Issue.

1. Imperial Military Works.
2. Imperial Civil Works.
3. Provincial Civil Works.
4. Incorporated Local Funds.
5. Excluded Local Funds.
6. Irrigation Major Works.
7. Irrigation Minor Works and Navigation.

2. With reference to your Lordship's despatch No. 7, Public Works, dated 18th August 1887, we attach a statement showing the approximate amount of establishment charges applicable to the construction of the Periyár and the Rushikulya projects, the only works in progress in this Presidency on which special establishments are exclusively employed. It will be observed therefrom that the cost of establishment on account of the Rushikulya project is 7 per cent. less than that estimated for the previous year and is slightly in excess of the 23 per cent. allowed on the grants for works in this Presidency. In the case of the Periyár project the percentage for the current official year exceeds that of the year previous by ·9. The excess is due to increases in the upper subordinate, petty and account establishments.

We have the honour to be,

My Lord,

Your Lordship's most obedient, humble servants,

(Signed) WENLOCK.
