READ—the following papers:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 16th May 1891, No. 338 G.D.

I have the honour to forward, herewith, for the sanction of Government, an estimate, amounting to Rs. 68,600, for constructing a road from Razole-Mukkahaiwaram to Bendamurlanka, received from the President, Local Fund Board, Godavari. The estimate has been scrutinized and countersigned by me.

Note by the Chief Engineer, Public Works Department.

It would have been better if the estimates for the masonry works considered to be requisite had been prepared at the same time as the estimate for earthwork and surface work.

2. The District Board do not know what the road will cost when completed; but, as they have passed this estimate and it is in order as far as it goes, it is recommended for sanction.
