Circular from the Government of India, Public Works Department (Account—General), dated Simla, 20th May 1891, No. 3.

[Abolition of divisional register of road metal.]

Read—

Public Works Department Circular No. 42, dated 24th December 1889.

Memorandum No. 364 G., dated 30th April 1891, from the Accountant-General, Public Works Department.

Resolution.—In Public Works Department Circular No. 1 of the 29th January 1891, the Government of India authorized the discontinuance of the transmission of the monthly sub-divisional statements of receipts, issues and balances of road metal to the Examiner's office. These returns will, therefore, now be filed in the Executive Engineer's office, rendering the maintenance of the divisional register of road metal prescribed in Public Works Department Circular No. 42, dated 24th December 1889, unnecessary.

The Government of India is accordingly pleased to direct the abolition of this register.
