I have the honor to forward the consolidated budget estimate of the Kistna District for the official year 1891-92.

2. The prescribed statements, the District Board's resolution passing the revised estimate for 1890-91 and the budget for 1891-92 and the road map are enclosed.

REVISED ESTIMATE FOR 1890-91.

Receipts.

3. (1) *Opening Balance.*—On adopting the Accountant-General's figures, the opening balances for 1890-91 are—

		Rs.
[illegible] funds	.. ..	34,270
District funds	.. ..	1,34,740
Taluk „	.. ..	
	Total ..	1,69,010

against the original estimate of Rs. 1,36,610. The increase is due chiefly to short expenditure under Grant I.

(2) The receipts as per revised estimate amount to Rs. 5,60,240 against the original estimate of Rs. 4,93,990. The net increase of Rs. 66,250 is due to the expected increase of Rs. 57,050 under land-cess as advised by the Treasury Deputy Collector and of Rs. 9,200 under (*b*) "Contribution from tolls in municipalities," (*l*) "Sundry receipts," and other minor heads.

(3) The total receipts, including balances, amount to Rs. 7,29,250.

Expenditure.

4. (1) *Grant I.*—According to the revised estimate, the expenditure under Grant I comes up to Rs. 4,42,220 against the original estimate of Rs. 3,52,950. The increase of Rs. 89,270 is due to subsequent allotments sanctioned on account of incomplete works and of certain new works undertaken in the course of the year.

(2) *Grant II.*—The expenditure under this grant is reduced from Rs. 76,840 to Rs. 72,080. The decrease of Rs. 4,760 is under (*b*) normal school and (*d*) elementary schools. The cause of the former is the entertainment of drawing master and carpentry instructor late in the year and the non-entertainment of certain students, and of the latter the opening of certain schools late in the year.

(3) *Grant III.*—The amount provided in the revised estimate is Rs. 99,660 against Rs. 1,01,200 originally budgeted. The variations under this grant are explained in the revised estimate where necessary.

(7) *Midwives and Midwifery pupils—Midwives.* The question of paying these women partly by results was well considered. The District Board in its Resolution No. 22 of 12th July 1890, resolved that "for the present it would be unwise to reduce the pay of the midwives as it is already difficult to obtain qualified women at Rs. 9 per month, and recommends that the pay should remain at Rs. 9 per mensem and that a payment of 8 annas should be made to the midwife for each case satisfactorily attended." Provision for 16 midwives at Rs. 9 each is made. The amount required for the payment of annas 8 to the midwife for each successful case is included in the lump sum provided under (13) *Miscellaneous.*

Government sanctioned the entertainment of two Sanitary Inspectors and a peon under the Masulipatam Taluk Board and a Sanitary Inspector on Rs. 30 under the Guntur Taluk Board. Government in its order No. 1674 L., Mis., dated 7th July 1890, directs to submit a statement showing the specific sanitary works budgeted for in the current year in the taluks of Bandar, Gudiváda, Guntur, Répalle and Bápatla when an application for the two Sanitary Inspectors for the Répalle and Bápatla taluks was made. The Presidents of the respective Taluk Boards have been requested to furnish information called for. A separate report on the subject will follow. The provision made under "Water-supply" and "Village-site" has been left untouched. The President of the Bezvada Taluk Board states that "the works under 'Water-supply' and 'Village-site' are not properly being estimated and executed by the Tahsildars, who, owing to press of work, are obliged to depute the duty of supervising these works to their subordinates. Consequently the allotments under this head often lapse, as contractors cannot always be induced to come forward. In order that such works may be executed departmentally, the Government have already sanctioned in order No. 1937 L., Mis., dated 18th October 1888, the employment of a sanitary overseer and a peon for two months on Rs. 20 and 6 per mensem respectively as an experimental measure to be made in one taluk." Under these circumstances, the Taluk Boards have made provision for sanitary inspectors and peons under them to attend to sanitation and to carry out the sanctioned works without delay. Instructions are solicited as to whether a new item for their salaries, &c., is to be opened under sanitation or may be shown under "Water-supply." As usual a sum of Rs. 50 is made under the District Board for the Brahmin in the water-shed attached to the Collector's office at Masulipatam.

(2) *Improvement of Village-site.*—Rs. 4,530 are provided by Taluk Boards for removing the prickly-pear, &c.

M.R.Ry. Ch. Venkatachelam Pantulu Garu, Vice-President of the Kistna District Board, writes, as to necessity of entertainment of additional staff for the District Board's office, as follows:—

"With reference to G.O. No. 2613 L., dated 11th October 1890, I have the honor to state that the proposed system of check of Local Fund receipts under several items will throw so much additional work on the District Board's office that it will be impossible to carry it out without an increase of establishment.

"2. The following are the reasons for the additional staff required to be entertained from 1st April 1891:—

"(1) The additional work to be performed in compliance with the Government Order above quoted.

"(2) The subjoined statement shows the work of the District Board's office for the last six years:"—

Year.	Number of papers received.	Number of papers despatched.
1885-86	2,128	
1886-87	2,628	2,005
1887-88	2,831	2,579
1888-89	3,071	2,588
1889-90	3,403	2,974
Two-thirds of 1890-91	2,530	3,098
		2,119

"It will be seen from the above figures that the work, which is of a highly responsible nature, is rapidly increasing. There were 15 unions in 1886, but now there are 21, and four more will shortly be formed. The establishment sanctioned in 1886 consists of four clerks and a peon, and this cannot cope with the present rapidly increasing work.

"(3) The appointments of members of Union Panchayats, the arrangements of records directed in G.O. No. 548 L., dated 6th March 1889, the verification of service registers and the submission of applications for allotments of funds, &c., have since thrown additional work on the District Board's office.

3. * * * *

"The absence of a muchee in the District Board's office is much felt. The clerks cannot be expected to make covers, stitch books, pack stationery and printed forms to be supplied to the different officers, and pack books to be sent to taluk depôts for sale. Moreover there is a great inconvenience in having only one peon in the District Board's office. The peon has frequently to follow the camp office of the President, and a second peon is required for posting tappal and for daily distribution of covers and other work.

"4. The budget figures of the District Boards printed in the *Fort St. George Gazette*, dated 17th June 1890, show that, as regards the cost of the establishment, this District Board's office is eleventh in the Presidency and in point of expenditure it stands second in the Presidency.

"5. Government in its order No. 2300, dated 7th October 1889, declined to sanction an additional clerk on Rs 15. You will be pleased therefore to bring to the notice of Government the fact that the additional work since 1886 has increased enormously.

"6. Under these circumstances, I request that Government will be moved to sanction the proposed establishment for the District Board's office from April next. The registers referred to in Government Order above quoted will be opened from April 1891."

The District Board has sanctioned the proposed scale. I strongly recommend that the increase may be sanctioned, as the present inadequate staff cannot cope with the present heavy and increasing work.

35. (*d*) *Contingencies.*—Rs. 8,960 are provided under this head with reference to the need of Local Boards.

36. (*h*) *Miscellaneous.*—Rs. 200 are allotted to meet the law charges.

37. A sum of Rs. 48,800 is set apart under reserve to meet unforeseen charges. It amounts to 10 per cent. of the estimated receipts.

38. The budget closes with a balance of Rs. 24,400.

From W. F. deFABECK, Esq., M.D., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Nungambaukam, 12th February 1891, No. 123.

I have the honor to state that the provision made in Grant III of the budget estimate of the District Board of the Kistna district for the maintenance of the dispensaries for the year 1891-92 is sufficient and calls for no remarks.

From Surgeon-Major J. A. LAING, Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 16th February 1891, No. 613-S.

I have the honor to report that the District Board of Kistna have made a provision of Rs. 39,330 to meet the sanitary requirements of the district for the ensuing year 1891-92. It may be accepted for the purposes intended.

2. No details of the works under Grant I have been furnished to me, and so I am unable to state if the Board propose to undertake any other works of a sanitary nature other than those shown under Grant III.

3. The vaccination grant amounts to Rs. 13,570, and appears to be ample.

The principal variations between the budget and the revised estimate for the current year and those between the latter and the budget estimate for the ensuing year, except in the cases noted below, are explained in the President's letter:—

A. Increase due chiefly to the settlement of the cess due on certain zemindaries for previous years.
B. Increase owing chiefly to an advance in the contributions received from Municipalities.
C. Increase based on the actuals of the first six months of the year.
D. Managers of schools have not sent in applications for building grants.

2. The following errors, omissions and discrepancies are noticed in the statements submitted with the budget:—

(1) The total of the receipts, as shown in the last column of Statement I-A, exceeds that of the details given by Rs. 51, the difference being due to the omission of refunds of expenditure.

(2) In column 2 of Statement I-B, the provision of Rs. 600 for animal vaccination should have been shown separately under Grant III (*g*) Contributions to Provincial services, with reference to paragraph 4 of G.O., dated 20th September 1890, No. 2406 L.

(3) In column 3 of Statement I-B, the provision for medical subordinates under Taluk Boards is incorrectly given as Rs. 15,320, instead of Rs. 15,220.

(4) The total of the expenditure under Grant III, as shown in the last column of Statement I-B, exceeds that of the details given by Rs. 70, the difference being due to the cost of clerks and servants under (*a*) Hospitals and dispensaries having been incorrectly entered as Rs. 3,824 instead of Rs. 3,894.

(5) The allotment for public works, shown in column 11 of Statement VII as due from the Jubilee Fund, is Rs. 450, whereas, according to Statement III-A, the estimate for constructing the Jubilee Museum building is Rs. 460.

(6) The provision of Rs. 30 for fixed charges of the Vellatore choultry has been erroneously omitted from column 13 of Statement VII.

(7) In Statement VIII, details should have been given of the miscellaneous receipts and of the allotments for public works by means of foot-notes.

(8) In the same statement the receipts appertaining to the schools under the control of Union Panchayats should have been credited to the Union Funds concerned, a corresponding deduction being made from the contributions taken credit for from the respective Taluk Funds for the maintenance of these institutions.

(9) According to the same statement, the allotment for public works in the Unions under the Masulipatam Taluk Board is Rs. 900; but according to Statement III it is Rs. 1,200 (Rs. 900 under New Works, and Rs. 300 under Repairs—Communications).

(10) In column 4 of Statement IX, the total expenditure under Grant II is incorrectly given as Rs. 46,393, instead of Rs. 47,393.

(11) In the same statement, the receipts, charges and balances of the Endowment and Union Funds should have been shown by means of a foot-note, as required in section 14 (2) of the Local Fund Rules.

The necessary corrections have been made with reference to clauses (1), (2), (3), (4), (6), (8) and (10) above. The discrepancies noticed in clauses (5) and (9) should be explained at an early date.

REVISED ESTIMATE FOR 1890-91.

3. The current receipts and charges of the year are now estimated at Rs. 5,60,240 and Rs. 6,37,810, respectively, against Rs. 4,93,990 and Rs. 6,05,350 anticipated in the sanctioned budget. The increase in the receipts occurs mainly under land-cess, while that in the charges appears under Grant I. It is most unsatisfactory to observe that only 15 per cent. of the estimated receipts under house-tax were collected during the first six months of the year, and that the outlay on public works and sanitation during the same period was only 18 and 25 per cent., respectively, of the allotments. Under Contributions for the Medical College and Sanitary Inspection, the current year's budget provision will be repeated instead of the actuals of 1889-90. The balance to be carried forward to the ensuing year's budget will then be Rs. 90,870 *.

BUDGET ESTIMATE FOR 1891-92.

4. *Receipts.*—The current receipts of the ensuing year are estimated at Rupees 4,88,200 against Rs. 5,60,240 anticipated in the revised estimate for 1890-91, the decrease occurring chiefly under Land-cess. The receipts from House-tax and Miscellaneous will be reduced by Rs. 200 and Rs. 40, respectively, being the amounts expected from the proposed Union at Chebrole, which has not been approved: *vide* G.O., dated 20th December 1890, No. 3353 L. Corresponding reductions will be made in the charges under Grants I, III and IV. The application promised in paragraph 5 (*c*) of the President's letter for the formation of Mylavaram into a Union is awaited.

5. *Expenditure*—(1) *Grant I.*—The contribution to the Public Works Department for the scrutiny of Local Fund plans and estimates will be reduced to Rs. 550, with reference to G.O., dated 2nd February 1891, No. 240 L. It is presumed that the allotments for the Local Fund Engineering establishment, contingencies and tools and plant have been distributed between the District and Taluk Funds with reference to G.O., dated 5th August 1890, No. 1942 L. The proposed abolition of a lascar's place on Rs. 7 per mensem, referred to in paragraph 15 of the President's letter, is approved.

(2) *Grant II.*—The remarks of the Director of Public Instruction on this portion of the budget are awaited.

(3) *Grant III.*—The entertainment of a cook and a waterman on Rs. 5 each for the hospitals at Dachepalle and Vinukonda, and of an attender on Rs. 10 for the District Medical Officer, is sanctioned. The usual proposition statement should be submitted for the revision of the salaries of the servants attached to the Chirala and Bápatla dispensaries. The proposal to pay the midwives an allowance of 8 annas for

each case attended by them is approved. The entertainment of five additional second-class vaccinators on Rs. 10 each per mensem is sanctioned. The attention of the President of the District Board is drawn to the omission pointed out by the Sanitary Commissioner in paragraph 2 of his letter read above. The report on sanitary works promised in paragraph 27 of the President's letter has since been received and will be separately disposed of. In the meanwhile, the provision made for the entertainment of two additional sanitary inspectors will be allowed to stand and may be shown under "Water-supply," as proposed by the President. The entertainment of two scavengers on Rs. 5 each for the villages of Karenchedu and Parchur and the alterations and additions to the choultry and bungalow establishments, proposed in paragraphs 28 and 29 of the President's letter, are sanctioned. The allotments for lighting the Unions of Vetapalam and Chirala will be passed on the understanding that the Répalle Taluk Board places the necessary funds at the disposal of the Panchayats concerned as required by section 142 of the Local Boards Act.

(4) *Grant IV—Establishment.*—The provision for controlling establishments at the Presidency will be raised to Rs. 3,960, so as to correspond with the actuals of 1889-90. The entertainment of a fifth clerk on Rs. 15, a second peon on Rs. 7, and a muchee on Rs. 10 per mensem in the District Board's office is sanctioned. The proposed additions to the establishments of the Bezváda and Guntúr Taluk Boards cannot be sanctioned until the necessity of the same is fully explained.

6. *Reserve and Balance.*—The reserve, calculated at 10 per cent. of the estimated receipts, excluding those of endowed institutions, should be Rs. 48,600—Rs. 23,990 under the District, and Rs. 24,610 under Taluk, Funds. The budget, as revised by Government, closes with a balance of Rs. 24,930, distributed among the several funds as shown below:—

	Rs.
District Funds—	
General	10,950
Taluk Funds—	
General	10,720
Endowment	2,050
Union Funds	1,210
Total ..	24,930

The balances available for general purposes under the District and Taluk Funds are, respectively, 5 and 4 per cent. of their estimated receipts.
