NOTE OF REMARKS.

The Estimate under
min. no. 2287 C
provides for recon-
structing the Customs
House at Kulasekarapatnam
in the Tinnevely Dist.

It is explained in the
report that the existing
building is not worth
improving, it is therefore
proposed to dismantle
it & to construct a new
building consisting of
two rooms 20'3" x 16'6"
& 17'9" x 16'6" in
dimension -

The building is to be
constructed with
Sand Stone in mortar
& roofed with brass
covered with flat or
pan tiles -
Drawn by The Architect

are in 2000 & there have
been notes in the Est.
in pencil, but it is
explained in the report
that the materials
have to be brought
from long distances,
this should have been
considered when framing
the Schedule for the
Therukam but as
it is at present it is
practically worthless

The plan & estimate
have been counter-signed
by the Collector &
approved in the Revenue
Dept. -
