COPY of a communication from the A. Nuthoosamy Moosay
to the Consulting Architect

to Government, No. —, dated 30th April 1891.

With reference to your favor of the
14th March 1891. Nos 3788 & 154 & 334 of 10th and
23rd Instant. respectively I respectfully
beg to state that as I am suffering
from Asthma from a long time and the
3 brothers of mine are employed under Govt.
in different parts of the Presidency and
as we have to conduct the Cause of
obtaining the Hair Certificate, jointly
being the members of an undivided
Hindu family, there has already been
delay and think there will be some
more delay.

To avoid all this I humbly beg to
submit that you may be pleased
to disburse the amount due to our
late deceased brother Subbaram
A. Nuthoosamy Moosay to us,
his legitimate brothers and only heirs
on our own responsibility.

You need not doubt as to our
position and respectability as the

Advt of us is a 1st Class Inspector of Police at Rs 215 a month; myself in charge of landed property in 3 villages in Madhavantakam Taluq with a house worth more than 4000 Rs the 3rd a Clerk in the Office of the Supt of Police Cheungput District and the 4th and last a Dy. Tahsildar and 2nd Class Magistrate in North Arcot.

If necessary we are prepared to give an indemnity bond.

If you are willing to treat us as honorable gentlemen and to pay us the amount I am prepared to present myself before you to arrange the preliminaries before procuring the powers of Attorney in my favor from my brothers empowering me in their behalf to draw the money due and to give you the necessary vouchers.

This I submit is the only safest and best course to adopt under the circumstances at present.

No. 692.

From

Henry Swin, Esq., C.I.C.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department
Madras.

Sir,

/ Enclosures.

I have the honor to state that a sum of Rs 210-13-7 due to the deceased Sub Engineer of the late Presidency Divⁿ Mr. H. Narayanaiah on account of his Travelling Allowance for February, March & April 1889 and salary from 1st March to 12th May 1889, left uncollected was credited in March 1890, by the Examiner of Public Works Accounts Madras to this Division in his transfer credit advice of 12th April 1890 since then the amount has been outstanding in the accounts of my Divⁿ without adjustment. About two or three letters were written to the brother of the deceased Sub Engineer, A. Narayanaiah Mudaliar to revive the

amount due to his brother, after producing
a certificate of his ship from a competent
court. In the enclosed reply from A
Muthuswamy Broodellias, he requests that
the amount due to his brother may be
paid to him & his brothers on produc-
tion of an indemnity bond, but there
is no rule under which this can be
done. I therefore request you to let
me know whether I can pay the amount
on the strength of an indemnity bond
from A Muthuswamy Broodellias and
his brothers or surrender the amount
in my next salary Bill, as directed
in Code para 463. The amount has
also been outstanding for the last
12 months.

I have the honor to be

To W.

In the absence of special orders from Government, the Consulting Architect should be guided by the ruling contained in P.W.D. Code para 464 & decline to pay the amount until the claimants are properly authorized to receive assets belonging to the estate of the deceased and in that case, the Consulting Architect should be asked to surrender the amount in his next salary bill as it has been outstanding in the accounts for a period of over 6 months vide P.W. Code para 463; but Government, if it thinks fit, may of course direct the adoption of the course proposed by A. Moothoosawmy Mudaliar, the brother of the deceased, taking any risk there may be in paying the amount.
