From

The Executive Engineer, Treasurers Office

Sir,

I beg to suggest for the consideration of the Superintendent Engineer a proposal to convert the large room of the plunge bath at the Artillery Barracks into an office for the Deputy Commissioner of Salt. This officer lately inspected the Munseiff's Court at the old Malabar Palace, but the buildings I am told were not suitable. By converting the plunge bath room into an office for that officer, a monthly rent of Rs. 40 may be saved, and at the best the cost to be incurred would not exceed Rs. 3,000. The roof of the plunge bath will soon have to be removed, as it appears rather shaky, so it might well be taken in hand at once.

I beg to be.

Signed / E. D. Dady
Supervisor S.O.H.
