From the Presidency Post office, dated 15 May 1891 No.

500
192 9.

Referring to para 1 of G.O.,
Marine, No. 115 dated 2 May 1891, I have the honor
to acquaint you, for the information of Government,
that it has been ascertained from the Negapatam
Post office, that there is nothing in the way
of current to prevent the proposed pier being
used as contemplated in the calm season. In
case of the river mouth silting, the empty
lighters, I am informed, can be banded up. This
event is not likely to take place and is
known to have occurred but once within the
last twenty years.

Order, 1st June 1891 No. 229-

Recorded.

2. The plans and estimates referred
to in para 2 of G.O. No. 115, dated 2 May 1891,
are available.
