From, Major C. C. Rawson, R.E.,
Executive Engineer,
North Arcot Division

To, The Superintending Engineer,
IV Circle.

Sir,
Referring to G.O. No. 3132 W, dated
25th November 1890, sanctioning the
demolition of the old Post office at
Kaniyapet.

2. I have the honor to inform you
that I have this day received a letter
from the Inspector of Salt & Abkari
Revenue, Vellore Circle, requesting that
the building be handed over to him
for an office.

3. The book value of the building
is Rs 500, it is in bad repair. I
request that I may be informed

(a)

(a) whether the building may be handed over to the Salt & Akkari Department,

(b) whether any rent is to be paid by that Department for it,

(c) how the cost of repairs to the building is to be met.

4. If the building is to be handed over to the Salt Department rent free, I consider that they should bear the cost of the necessary repairs; if they decline to do this I think that the building should be demolished.

I have &c

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings

of the Board of Revenue (Separate Revenue) dated
 23rd May 1891, No. 1669. Also on the following—
 Read endorsement of the Secretary to
 Government, Revenue Department, dated 8th Janu-
 ary 1891, No. 136.

Read also Reference thereon to the Dy.
 Commissioner, Central Division, dated 16th January
 1891, requesting him to report on Govt. Endorsement
 No. 136 dated 8th January 1891, referring to the Board
 for report a letter from the Executive Engineer, North
 Arcot Division, requesting to be informed whether
 the old Post Office building at Ranipet, may be
 handed over to the Salt and Akhary Department.

Read also letter from J. A. P. Enay & Co.
 Dy. Commissioner of Salt and Akhary Revenue, Cen-
 tral Division, to the Secretary to the Commissioner
 of Salt, Akhary & Separate Revenue, Madras, dated
 May 13, 1891, No. 1999.

With reference to Board's reference on
 Government Register No. 24 of 1891, dated January
 16, 1891, and to Proceedings No. 2408, sub-dated April 30th
 1891

1891, I have the honor to report that the Executive Engineer, North Arcot Division, in his letter No. 1271, dated March 24, 1891, copy enclosed, asked the Assistant Commissioner if he would take a large room in the old European Barracks at Ranipet for the Vellore Circle Inspector's office, as it was more convenient than the old post office building.

2. After the above mentioned room had been inspected by the Vellore Circle Inspector, the Assistant Commissioner replied that it is a much better locality than the old Post office and that it was well suited for an office, but that the floor required repairs and requested the Executive Engineer to repair and make over the building at his earliest convenience.

3. Under the above mentioned circumstances if the Executive Engineer would only make over the room to this Department, as requested by the Assistant Commissioner of the Arcot Sub-Division. I do not think that the old post office building, the necessary repairs for which are estimated to cost Rs 80/ will be required by this Department.

4. The papers forwarded with the Board's reference under reply are herewith returned.

Resolution

In reply to endorsement from
the

1640
u
the Revenue Dept. No 136 dated 8 January 1891, the enclosure to which is herewith returned, the Board begs to inform Government that the Executive Engineer, North Arcot Division, having undertaken to place at the disposal of the Inspectors of Salt and Abkari Revenue, Vellore Circle, a room in the old European Barracks at Ranipet, which is reported to be more convenient than the old Post Office building at that place, there is no longer any necessity for the transfer of the latter building to this Department.
