GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

READ—the following papers:—

From the Government of India, dated 6th May 1891, No. 1094 M.W.

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 9th June 1891, No. 1291 M.W.

In returning, as requested, the correspondence forwarded to the Adjutant-General with Military Department No. 2753 of 15th May 1891, regarding the proposed reconstruction of the roof of hospital wards, Nos. 12 and 13, of the 1st Pioneer lines at Trichinopoly, I am desired to report as follows for the information of Government:—

(1) The available hospital accommodation consists of one ward for 20 patients. The second ward is at present unfit for occupation, having been condemned as unsafe by the Executive Engineer, the patients in occupation of it had consequently to be moved out and crowded into the one ward, verandahs and out-houses.

(2) The average monthly sick from 1st March 1890 to 31st March 1891 has been 33·50 (*vide* particulars in the accompanying statement).

(3) According to the provisions of Army Regulations, India, volume VI, para. 717, accommodation should be provided for 50 patients in a hospital for a regiment of Madras Infantry, but His Excellency considers that the accommodation that will be available when the two existing wards are fit for occupation will probably meet requirements.

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 5th November 1890, No. 2852 M.W.

Resolution by the Government of India, Military Department, dated Simla, 1890.

The following provisional distribution of the grant for military works in 1891-92 is hereby notified :—

	Rs.	Rs.
Military Works Department, India	84,50,000	84,50,000
Public Works Department—		
Rajputana and Central India	90,000	
Central Provinces	3,000	
Lower Burma	1,88,000	
Assam	2,00,000	
Bengal	40,000	10,50,000
North-Western Provinces and Oudh	9,000	
Punjab	1,90,000	
Madras	80,000	
Bombay	2,50,000	
Ordnance Works	3,10,000	3,10,000
Marine Works	40,000	40,000
Total ...		98,50,000
Leaving for reserve with the Government of India		2,50,000
Grand Total ...		1,01,00,000

2. The above allotments include provision for any expenditure that may be incurred in England on stores for works classified as Military.

3. The distribution of the grants for Ordnance and Marine will be made by the Director-General of Ordnance and the Director of Indian Marine, respectively. These officers will communicate to the local Governments and Administrations concerned the works which they desire to have undertaken during 1890-91 and the amounts available for each work which amounts will then be included by the local Governments and Administrations concerned in their budget estimates for military works.

4. The preliminary budget estimates should be prepared for the amounts now provisionally sanctioned together with the allotments, if any, made by the Director-General of Ordnance and the Director of Indian Marine, and should be submitted so as to reach the Government of India punctually by the 15th January 1891.

5. Orders regarding the grant for military works in Upper Burma will issue hereafter.

Order.—Ordered that a copy of the foregoing resolution be forwarded to local Governments and Administraions noted in the margin for information and guidance.

The Secretary to the Governments of Madras, Bombay, Bengal, North-Western Provinces and Oudh, and Punjab in the Public Works Department.
The Chief Commissioners, Central Provinces, Burma and Assam.
The Agent to the Governor-General, Rajputana and Central India.
The Director-General of Military Works.
The Director-General of Ordnance in India.
The Director of the Indian Marine.
The Resident at Hyderabad.

Ordered also that a copy be forwarded to—

The Quartermaster-General in India.
The Accountant-General, Public Works Department.
The Accountant-General, Military Department.

From Colonel E. H. EYRE, Officiating Quartermaster-General, to the Secretary to Government, Public Works Department, dated Ootacamund, 25th November 1890, No. 948 M.W.

In acknowledging receipt of resolution of the Government of India, Military Department, No. 2852 M.W. of 5th November 1890, forwarded with your letter No. 4749 C. of the 19th instant, fixing the grant for 1891-92 for military works in charge of the Public Works Department at Rs. 80,000, I am desired to say that the proposal to allot the amount, viz., Rs. 14,120 available for Major Works, towards the construction of the new barracks at Calicut is accepted, but that owing to the surrender by the Superintending Engineer of Rs. 10,000 of the grant allotted for this work in the current year's budget, and regarding which no previous intimation was given to this office, it will now be necessary to make an application to the Government of India for a special grant of Rs. 7,440, to admit of the completion of the barracks before the close of the official year 1891-92.

2. With reference to para. 4 of your letter under reply, I am to say that the Commander-in-Chief considers the construction of the sheds for transport animals at Malapuram a work of an urgent nature. His Excellency accordingly desires me to request that the Government of India may be addressed in view to a special allotment of funds being secured for the provision of the sheds in question.

3. With reference to the penultimate para. of your letter, I am to suggest that a sum similar to that provided in the current year may be allotted to General Officers Commanding Districts concerned and the Commissary General for the execution of minor works at stations under the control of the Public Works Department.

1649-50
11

ORDER—dated 22nd December 1890, No. 3411 W., Public Works.

In its resolution above recorded, the Government of India assigned a provsional grant of Rs. 80,000 for expenditure on military works at stations in charge of the Public Works Department during the year 1891-92. The amount distributed under departmental heads will be as shown below:—

	RS.
Works	64,100
Establishment	14,940
Tools and plant	960
Total ...	80,000

2. Of the sum of Rs. 64,100 available for works, the following amounts have been set apart:—

	RS.
Incomplete major and minor works	5,000
Repairs	45,000
Total ...	50,000

and the balance, Rs. 14,100, has been allotted for the new barracks at Calicut.

3. A sum of Rs. 20,000 was provided in the current year's budget for the new barracks at Calicut, but the sanction of the Government of India to the estimate having been received late in the year, it was not found possible to spend more than Rs. 10,000 on the work during the current official year and the balance Rs. 10,000 was therefore surrendered. To admit of the completion of the work before the close of the year 1891-92 as desired by His Excellency the Commander-in-Chief, a sum of Rs. 21,560 will be required. As the amount available for major works is only Rs. 14,100, that sum has been provided for the work in the budget, and the Government of India will be requested to provide the balance, Rs. 7,460.

4. It has not been found possible to provide the grant required for constructing a shed for the transport animals at Malapuram, which is considered to be a work of an urgent nature. The Government of India will therefore be requested to provide a special allotment of Rs. 2,824 or Rs. 3,516 inclusive of percentage charges to admit of the construction of the shed during the ensuing official year as desired by His Excellency the Commander-in-Chief.

5. The amount set apart for incomplete major and minor works will, as usual, be held in reserve with the Government and be distributed early next year on receipt of detailed proposals from Superintending Engineers.

6. The grant for repairs has been distributed among the several divisions in part II of the budget.

7. With reference to paragraph 3 of the letter from the Government of India, Military Department, No. 1441 M.W., dated 16th June 1890, printed with G.O., No. 1960 W., dated 18th July 1890, that Government will be informed that the same sum as that provided in the current year, viz., Rs. 4,000, may be placed at the disposal of the General Officers Commanding Districts and the Commissary-General for the execution of minor works at stations in charge of the Public Works Department.

8. The difference between the budget and the revised estimates of charges for 1890-91 is due to additional grants having been sanctioned by the Government of India and the Director-General of Military Works.

From J. W. MARTIN, Esq., Officiating Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 10th March 1891, No. 1606 T.C.

In forwarding the accompanying copy of endorsement No. 224 of the 6th instant from the Officer Commanding Trichinopoly, I have the honor to state that in G.O. No. 347 W. of the 6th February 1891, the estimate, amounting to Rs. 4,400, was sanctioned for reconstructing the roof of hospital wards Nos. 12 and 13 of the 1st Pioneer lines, but funds have not been allotted for the work.

2. From G.O. No. 3411 W. of 22nd December 1890, which accompanied the preliminary issue of the budget for 1891-92, it is observed that for incomplete major and minor works there are only Rs. 5,000 at the disposal of Government. However the work will be included in the statement of demands for incomplete work of 1890-91 and for sanctioned works of urgent nature to be submitted by the 10th of May next; in the meantime I request that you will be good enough to let me know whether the work can be put in hand in anticipation of allotment of funds, as the military authorities wish to have it completed as early as possible.

Enclosures.

From Captain A. G. BURN, Deputy Assistant Adjutant-General, Southern District, to the Officer Commanding Trichinopoly, dated Wellington, 2nd March 1891, No. 873 B.

The Brigadier-General Commanding having noticed the crowded state of the hospital ward at Trichinopoly, wished to be informed what action has been taken to remedy this undesirable state of affairs.

2. Information is also requested as to whether the roof of the second ward of the hospital is being repaired.

From Lieutenant-Colonel H. M. DALE, Commanding Trichinopoly, to the Assistant Adjutant-General, Southern District, dated Trichinopoly, 6th March 1891.

In reply to your No. 673 B., dated 2nd March 1891, regarding the crowded state of the ward of the hospital of the north lines at Trichinopoly, I have the honor to inform you that the number of patients is now somewhat less than that it was when the Brigadier-General made his inspection.

2. In reply to para. 2, anent the roof of the second ward, it is not yet repaired, as the orders of Government sanctioning the outlay had not arrived. These have now been received and the District Engineer will be requested to push on the work as speedily as possible.

From

BRIGADIER-GENERAL E. H. EYRE,
QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,
MILITARY DEPARTMENT.

SIR,

In returning as requested the correspondence forwarded to the Adjutant General with Military Department No. 2753 of 15th May 1891, regarding the proposed reconstruction of the roof of hospital wards Nos 12 and 13 of the 1st Pioneer Lines at Trichinopoly, I am desired to report as follows for the information of Government.

(1). The available Hospital accommodation consists of one ward for 20 patients. The second ward is at present unfit for occupation, having been condemned as unsafe by the Executive Engineer, the patients in occupation of it had consequently to be moved out, and crowded into the one ward, verandahs and outhouses.

(2). The average monthly sick from 1st March 1890 to 31st March 1891, has been 33.50, vide particulars in the accompanying statement.

(3). According to the provisions of Army Regulations India Volume VI, para 747, accommodation should be

be furnished for 50 patients in a Hospital for a Regiment of Madras Infantry, but this Excellency considers that the accommodation that will be available when the two existing wards are fitted for occupation, will probably meet requirements
