19TH JUNE 1891, No. 1654 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

**Buildings and Roads.**
**Civil Works.**

READ—the following paper :—

From Colonel H. SMALLEY, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 5th June 1891, No. 557.

I have the honour to forward, for sanction of Government, an estimate, amounting to Rs. 3,800, for adding two rooms to the old Executive Engineer's office for the storage of famine tools at Cuddapah as the late treasury mahal is to be made over to the Jail Department.

2. I had counted on getting the mahal for famine tools and many are stored there now, but we have been requested by the Jail Department to evacuate the mahal as soon as we can conveniently do.

3. There is not room in the Executive Engineer's old office for all the famine tools and the mahal at Gurramkonda is not sufficient for all, besides which we must keep a large proportion at Cuddapah to meet probable requirements. I consider, therefore, that the arrangements now proposed are absolutely necessary for the safe custody of the tools.

ORDER—dated 19th June 1891, No. 1654 W., Public Works.

The estimate, amounting to Rs. 3,800, for constructing two additional rooms to the old Executive Engineer's office at Cuddapah for the storage of famine tools, is sanctioned.

2. This sanction has been registered as Provincial No. 29 W. of 1891-92 and classified as Civil Buildings, Original Works.

NOTE OF REMARKS.

The estimate under reference amounting to Rs 3800 pro-vides for enclosing a portion of the Verandah & adding two rooms to the old Executive Engineer's Office Cuddapah for the storage of famine tools.

The necessity for adding two rooms &c is explain-ed in the report accom-panying the Estimate.

It is also stated that old timber & doors & windows of the old Treasury Deputy Collector's Office which was dismantled are to be utilized for the work now proposed.

The rate of Rs 2-8-- is charged in the estimate for

for 100 sft. of wood oiling 3 coats, whereas only ℔ 2 is provided in the Schedule of rates for the Cuddapah Division.

The rate for old doors & windows ~~deg ℔ 1~~ as 10 per sft. against ℔ 1-8- per sft including frames, fittings &c complete.

The rate for old timber in scantlings is ℔ 3 per cft against ℔ 4 per cft. of new timber wrought & fitted in trusses & ℔ 4 per cft of timber for small beams & joists.

All the other rates are fair.

Contingencies are charged at 6 percent.

Provision of ℔ 100 is made in the estimate for a Maistry for 4 months at ℔ 25 per mensem.

It is stated in para 6 of the report that another estimate amounting to ℔ 500 for General Repairs of the building accompanies the present estimate, but it has not been received in this office.

Cmp
9.6.91

It seems the agency check & efficient way of securing sufficient accommodation for the storage of Famine tools.

* The value of the building is shown in the Abstract Estimate to be Rs 4,000.
