11TH JUNE 1891, No. 518, REVENUE.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 3rd June 1891, No. 320 :—

MR. CLOGSTOUN.

Read—the following letter from MAHOMED ABEE SAYED KHAN, Tahsildar of Ráyachóti, to the Collector of Cuddapah, dated Ráyachóti, 24th May 1891, No. 1221 :—

In obedience to your honour's orders contained in memorandum, Extra No. 102, dated 21st instant, I beg to submit herewith a copy of weekly diaries of the Special Revenue Inspector for the past three weeks and a copy of the weekly report from this office to the Treasury Deputy Collector as to the number of persons employed on minor irrigation works. No report is received from the Public Works Department overseer as to whether any persons have returned to work at Hastinapuram. I am going to Hastinapuram and the adjoining villages to explain to the people the rates of bi-weekly payments as referred to in the above order.

2. For the present, no work is going on as the coolies were compelled to do certain work more than it was hitherto expected from them. The Superintending Engineer, who has camped here, tells me that Hastinapuram tank work had to go on in his department as ordinary Public Works Department work, and he told the overseer to pay the coolies according to the Public Works Department standard rates and that he is not aware of any change to be carried out, nor of the Board's alteration to treat it as a famine relief work.

Endorsement by F. D'A. O. WOLFE-MURRAY, Esq., Acting Collector of Cuddapah, dated 29th May 1891, Extra No. 118.

Copy of the arzi only submitted to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, Madras. Presumably the Superintending Engineer's arrangements should not now be interfered with.

Resolution—dated 3rd June 1891, No. 320.

A copy of Board's Proceedings, dated 12th May 1891, No. 276, with the Government Order thereon, will be forwarded to the Superintending Engineer, who will be requested to reserve the earth-work required on the Hastinapuram tank to be carried out departmentally, work being paid for at the rates prescribed in paragraph 5 of the Board's Proceedings.

2. In the event of good rain falling in the taluk in the course of the month, the work will no longer be required as a famine relief work, and the repairs might be carried out by the Public Works Department at normal rates.

(A true Copy and Extract.)
