READ—again the following paper:—

G.O., dated 14th May 1891, No. 1332 W., Public Works.

Read—the following paper:—

From H. IRWIN, Esq., C.I.E., Consulting Architect to Government, to the Secretary to Government, Public Works Department, dated Chepāk, 30th April 1891, No. 411.

With reference to Code para. 1540, I have the honour to inquire whether I may proceed with the works as per accompanying statement, as the grand total of these estimates exceeds the usual limit of Rs. 15,000 assigned for any one residence of the local head of the Government.

2. The total outlay to end of March 1891 on the works is Rs. 1,437-10-6 and I think the outlay during the current official year may exceed the prescribed limit above referred to. There was a lapse last year on the 15,000 allotment of Rs. 13,562. I had hoped to spend 5,000 on the tank filling last year, but, owing to the late date of receiving sanction, no expenditure could be made on the work.
