GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers:—

From J. W. MARTIN, Esq., Officiating Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 11th May 1891, No. 239/T.C.

Some of the military buildings that have been transferred to the Civil Departments conditionally or otherwise are still retained in the returns of military buildings of the Trichinopoly division with such remarks against the items concerned as "since transferred to the Police Department," "since transferred to Public Works Department," &c., as may be seen from the returns submitted from this office. The Royal Artillery barracks, which have been lately improved and altered from Provincial funds for locating the Collector's cutcherry, &c., are also still borne on the returns of military buildings with similar remark as the above (*vide* statement of changes in the annual return of military public buildings for the year ended 31st March 1891, submitted in this office No. 63 T.C., dated 9th April 1891).

2. I have the honour to request that you will be good enough to let me know whether, in the case of military buildings vacated by the Military Department and transferred to the Civil Department, especially in those cases where the buildings have been altered or improved from Provincial funds, it is necessary to keep them on the returns of military buildings, or whether they should in future be shown in the list of civil buildings.

3. I shall defer the printing of the statement of changes in the annual return of civil buildings for the year ended 31st March 1891 until I receive instructions as to how military buildings now occupied by the Civil Departments are to be treated.

No. 239 D.

Referred to the Military Department for favour of remarks.

21st May 1891.

(Signed) A. C. SMITH, Lieut.-Colonel, R.E.,

No. 2932, Military.

(By Order.)

OOTACAMUND,
26th May 1891.

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 3rd June 1891, No. 1241/M.W.

In returning Reference Order No. 2932 of 26th ultimo, with enclosure, I am desired to state that the old Royal Artillery barracks appear to be the only buildings at Trichinopoly that have been permanently handed over to the Civil Department and these, under Proceedings of Government No. 5194 of 30th July 1888, were ordered to be omitted from the "return of military buildings" at that station. His Excellency the Commander-in-Chief, however, sees no objection to any other building that may have been similarly transferred being also omitted; but considers it necessary, for the purpose of control, &c., that buildings like those referred to in Proceedings of Government No. 7053 of 17th November 1890, which have been only temporarily placed at the disposal of the Civil Department, should continue to be shown in the return.

No. 3197, Military.

Transferred, and the referred paper returned, to the Public Works Department.

(By Order.)

OOTACAMUND,
