22ND JUNE 1891, No. 1681 W., PUBLIC WORKS.

1681
/

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From F. B. HEBBERT, Esq., Officiating Under-Secretary to the Government of India, Public Works Department (Railway Stores), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 3rd June 1891, Circular No. 6 (Railway).

[Preparation in India of indents for steel.]

In continuation of Government of India, Public Works Department, Circular No. 2 (Railway), dated the 10th February 1891, on the subject of the preparation in India of indents for iron and steel, I am directed to state that, according to a report received from the India Office authorities, it appears to be the general opinion of manufacturers that "the purpose for which the steel is to be used" is a better guide to a suitable supply than the "percentage of carbon."

2. Under these circumstances, I am to request that officers in all branches of the Public Works Department may be instructed that, when sending forward demands for steel, in future, they should specify in every case the purpose for which the steel is required.

ORDER—dated 22nd June 1891, No. 1681 W., Public Works.

Communicated to officers of the Public Works Department, for information and guidance, in continuation of G.O., No. 1271 W., dated 9th May 1891.

Preparation in India of Indents for steel.

SIR,

In continuation of Government of India, Public Works Department, Circular No. 2 Railway, dated the 10th February 1891, on the subject of the preparation in India of Indents for iron and steel, I am directed to state, that, according to a report received from the India Office authorities, it appears to be the general opinion of manufacturers that "the purpose for which the steel is to be used" is a better guide to a suitable supply than the "percentage of carbon."

2. Under these circumstances, I am to request, that Officers in all branches of the Public Works Department may be instructed that when sending forward demands for steel, in future, they should specify in every case the purpose for which the steel is required.

I have the honour to be,

SIR,

Your most obedient Servant,

F. B. M. M. M.

Offg. Under Secretary.
