P. W. DEPARTMENT.

READ the following:—

Memorandum by the Chief Engineer, P.W.D. No 5411C,
dated 26th December 1890.

FOR ORDERS.

The appointment of 6 students of the Engineer Subordinate class to the Permanent Upper Subordinate Establishment from the 1st January 1891 renders necessary the reversion of 6 of the Substantive pro tem Overseers 3rd Grade to the Temporary establishment.

1000
17/Jan

This reversion will cause an excess in the Temporary establishment of three men.

To the service of these excess temporary men

Strength of	
Temporary Upper Sub. Subst.	51.

Vacancies	3.

can only be dispensed
with on the 1st February 1891
and as three extra temporary
men have been applied for
for the Tank Restoration
Scheme from the 1st March 1891
it is considered that it
would be more economical
and to the interests of the
Department to keep these
three extra men on for
two months than to dispense
with them on the 1st February
and reappoint them on the
1st March.

There is a large saving
in Temporary establishment
by men being appointed
on lower salaries than those
sanctioned.
