From

Henry Inwin, Esq., C.S.E.,
Consulting Architect
to the Government of Madras.

To

The Chief Engineer
Public Works Department

Sir,

3 Enclosures.

I have the honor to submit plans of the
1st & 2^d floors of the new High Court buildings showing
provisions of Lavatories & W.C.s for the Judges & officers
of the Court on the 1st & 2^d floors. In the original plan
a portion of each of the rooms for Judges & officers was
cut off by a wooden partition which was intended, as
a retiring room but this is objected to and the partition
will be removed hence the necessity for the plans now
submitted. This arrangement I explained to the Honble
Mr. E. Stokes who approved of it. The Lavatory on the
1st floor occupy the portion which was to be the strong
rooms for the Registrars appellate and original side.
These I propose to place in the two angle towers near
the two offices as shown in plan. On the 2^d floor
the rooms are simply spare rooms not allotted to
any purpose and ^{that} may very usefully used as proposed
on.

On the approval of the plan the
gallertion work will be put in hand.

I have the honor to be
Sir
your most obedient servant
