PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read *the following Res.*

of the Board of Revenue (Land Revenue)  
dated 6<sup>th</sup> May 1891 No. 3145 Ins. on ~~the~~  
letter from the Collector of Krishna  
dated <sup>19 May 1891</sup> ~~102/82~~ ~~102/82~~ Ins.

I have the honor to forward  
a plan of the present Taluk —  
Cutchery at Vinconda (with pro-  
posed additions) and also a copy  
of a letter from the Superintending  
Engineer (on the main to which it is  
a reply) condemning the main build-  
ing as unsafe.

2. I have been reluctant  
to add to the number of new public  
offices which must be erected in  
this District and have therefore  
endeavored to add to the present  
Taluk Cutchery at Vinconda the  
necessary buildings required to  
make it fit for use. The Super-  
intending Engineer's letter now  
condemns the main building and  
I have the honor therefore to request  
that sanction may be given for the  
erection

erection of a new Taluk Cutcherry.  
I regret that any expenditure was  
incurred on the ~~subject~~ <sup>Rail</sup>

3. The compound of the  
present building is small and  
cramped and a suitable site  
can be obtained on higher ground  
on the way to the Railway station.

4. The present building  
we have vacated may be sold if  
not required for any public  
purpose. If however, the large  
irrigation works now under  
contemplation and inspection  
in Vinnikonda Taluk are carried  
out the sound part of the building  
may be required by the D. N. W.  
Resolution.

Submitted for the orders  
of Government.

2. Under the circumstances  
reported, the Board recommends  
the construction of a new Taluk  
office at Vinnikonda.

3. When this is completed  
the question as to what is to be  
done with the present office  
may be taken up.

Order

1692  
2  
Order No. 9 June 1891 No. 3391.

new Taluk Cutcherry at Vinnikonda
