PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read *the following Proceedings*
of the Board of Revenue (Land Revenue)
dated 6th May 1891 No 3128 on the following
letter from the collector of Kishna, dated 20th
March 1891 No 2309.

- I have the honor to request the
sanction of the Board and Government to
the erection of a new Cutcherry for the Deputy
Tahsildar of Ponnur in the Bapthla Taluk.
2. The Executive Engineer Mr. Paul recently
inspected the present Cutcherry and condemn-
ed the door of the Treasury is unsafe. He
proceeded to remark "the building is as
damp, dark low-roofed native house
and is scarcely good enough for a cow
shed"
3. The building is certainly unsuited to present
requirements. Its floor is broken into two levels
and the roof even over the lower level comes
down to a height of between 5 and 6 feet.
4. The Superintending Engineer forwards
for my opinion the Executive Engineer's
proposal to condemn the building which
bears a book value of Rs 2,000 with three sub-
-jail wards valued at Rupees 1571 and to erect
a

a new one utilizing the wood work prepared for the Senali Deputy Tahsildar's Cutcherry which will not be required, as Senali is to be the Head quarters of the Repalle Taluk. I recommend this proposal for the acceptance of the Board and of Government.

5. The old building may be utilized for a school or sold after the construction of the Railway from Bezwada to Madras has increased the local demand.

6. The present site is quite insufficient and a new one will be selected if orders are issued for a new cutcherry.

7. Copies of the plan and letter are enclosed.

x B. 318/5 3.2.9

3. After the completion of the new office, proposals for the disposal of the present Cutcherry building will be submitted.
