24TH JUNE 1891, No. 1700 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 16th June 1891, No. 1354 M.W.

Adverting to G.O., No. 2001, dated 8th April 1891 (Public Works Department No. 767 W. of 17th March 1891), I am desired to forward, for the information of Government, the marginally-noted letter (with one enclosure) from the Chief Engineer, Military Works, and, with reference No. 4988, dated 13th June 1891.

thereto, to solicit that the Public Works Department may be communicated with in view to the Chief Engineer, Military Works, being furnished as early as possible with the plans referred to and also to sanction being accorded to that officer and the officers under his control being permitted to make plans and take measurements, if necessary, of the Mountstuart buildings. The Commander-in-Chief has approved of this being done in anticipation of the sanction of Government being accorded.

2. The plan of Mountstuart main buildings, showing extension originally proposed, forwarded to the Chief Engineer, Public Works Department, by the Superintending Engineer, IV Circle, with his letter No. 29 E.W. of 25th January 1890, and which has been received in this office for reference, has this day been transmitted to the Chief Engineer, Military Works.

ENCLOSURES.

From Lieutenant-Colonel W. P. TOMKINS, C.I.E., R.E., Chief Engineer, Madras Command, Military Works, to the Quartermaster-General, Madras Army, dated Ootacamund, 13th June 1891, No. 4988.

With reference to your No. 794 M.W., dated 10th April 1891 (Buildings), relating to the Mountstuart buildings at Ootacamund, I have the honour to enclose a copy of Military Department letter No. 1340 M.W., dated 2nd June 1891, which has been referred to me by the Director-General of Military Works and to request that the Public Works Department Secretariat (Madras) may be moved to send me direct the general and individual plans of the Mountstuart buildings and the plans which illustrate those extensions which are referred to in your No. 197 M.W., dated 13th August 1890.

2. I shall be obliged if you can secure early compliance with my request as I may have to direct Captain Mullaly, R.E., Executive Engineer, Madras division, to make some plans and measurements of these buildings, and, as he contemplates applying for leave, it should be done before he goes. Permission for me and the officers under my control to make plans and measurements, if necessary, of the Mountstuart buildings is also requested.

From the Secretary to the Government of India, Military Department, to the Director-General of Military Works, dated 2nd June 1891, No. 1340 M.W.

I am directed to forward a copy of the correspondence marginally noted relative to the extension of the Army Head-quarters offices at Mountstuart, Ootacamund. It will be observed that the Government of Madras are willing to carry out the requisite extensions from Provincial funds if the Government of India will consent to pay rent for the property in accordance with the rules laid down in para. 28, chapter XI, volume I, Public Works Department Code, instead of the rent of Rs. 300 per mensem paid at present.

2. With reference thereto, I am to state that the Government of India are of opinion that it would be desirable as well as economical for the Imperial Government to provide better accommodation for the officers in question either by the purchase of the Mountstuart buildings at a fair valuation and their subsequent improvement or by some other arrangement. I am accordingly to ask that you will be so good as to submit proposals on the subject.

3. I am to add that Government adhere to the decision in Military Department No. 1837 M.W., dated 28th July 1890, that no money from Imperial funds should be spent on the improvement of the Mountstuart buildings under present circumstances as to ownership.

No. 3408, Military.

Forwarded to the Public Works Department for favour of early compliance with His Excellency the Commander-in-Chief's requests.

OOTACAMUND,
18th June 1891.

(Signed)

A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

ORDER—dated 24th June 1891, No. 1700 W., Public Works.

The Superintending Engineer, IV Circle, is authorised to supply the Chief Engineer, Military Works, with such plans of the Mountstuart buildings as may be on record. Meanwhile, officers of the Military Works Department are at liberty to make any measurements and plans of the buildings which they may require.
