READ—the following paper :—

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army,
to the Secretary to Government, Military Department, dated Ootacamund,
5th June 1891, No. 1259 M.W.

Another very regrettable incident having recently occurred in connection with the interment of a Wesleyan soldier, I am desired by the Commander-in-Chief, with reference to my letter No. 727 M.W. of 7th April 1891, recorded in Proceedings of Government, No. 1292 W., Public Works, dated 11th May 1891, to represent the great necessity that exists for the very early completion of the Non-Conformist cemetery at Madras.

2. His Excellency solicits that the very early orders of Government may issue directing the immediate enclosure of the ground selected for the cemetery, leaving the question of the style of architecture to be adopted in connection with the entrance gateway, the denomination and charge of the cemetery, &c., for consideration hereafter, in order that interments might take place within the enclosure as soon as the ground has been correctly demarcated and temporarily enclosed.

No. 3200, Military.

Forwarded to the Public Works Department with advertence to O.G., No. 1292 W. dated 11th May 1891.
