Secretary to Govt., P.W.D.

Proceedings of the Board of Revenue (Separate Revenue), dated 29th May 1891, Mis. No. 1724.

C. S. CROLE, Esq., C.S.

Read—endorsement of the Government of Madras, dated 10th April 1891, No. 2263.

Read—reference thereon to the Deputy Commissioner, Southern Division, dated 27th April 1891, for very early report as to whether the police huts in question are required for the use of the Salt and Abkari Department and what the annual cost of keeping them in repair would be.

Read—again Proceedings of the Board of Revenue (Separate Revenue), Mis. No. 1632, dated 20th May 1891, approving the proposal of the Deputy Commissioner, Southern Division, to provide only 25 huts for the frontier force round Karikal, leaving Sub-Inspectors and men of the patrolling parties to accommodate themselves in the adjacent villages and awaiting the estimates promised by the Deputy Commissioner.

Read—also G.O., dated 20th May 1891, Mis. No. 2996, Revenue, communicating G.O., Public Works Department, circulating the Provincial Civil Works budget for 1891-92.

Resolution—dated 29th May 1891, Mis. No. 1724.

In reply to endorsement from the Revenue Department, No. 2263, dated 10th April 1891, the enclosure to which is herewith returned, and with reference to para. 2 of G.O., dated 20th May 1891, No. 2996, the Board begs to inform Government that the works referred to may be excluded from the list of police works in the Public Works budget for 1891-92, as arrangements will be made by the Salt and Abkari Department for the housing of the men stationed at the chowkies on the Karikal frontier. The Board observes that provision has been made in the Public Works budget for the construction of 47 (apparently tiled) huts at a cost of Rs. 16,446, or at the rate of nearly Rs. 350 per hut. The requirements of this department, however, will be only 25 thatched huts, each costing about Rs. 60. The Sub-Inspector and the men of the patrolling parties will be left to accommodate themselves in the villages, the men at the chowkies only being provided with quarters at the expense of Government. The expensive quarters estimated for by the Public Works Department are, however, unnecessary and thatched circular huts will suffice.
