To

The Chief Engineer
Public Works Department.

Sir,

2 Enclosures.

I have the honor to forward herewith
copies of correspondence as per margin relative to the
adjustment of the charge incurred in account of
furniture supplied to the Lady students' retiring
room recently constructed at General Hospital and
to request that Government may be moved to
sanction the expenditure being accounted finally in
the accounts of P.W. Department. The provision for
furniture was inadvertently made in the estimate
for the work, the Sub-Divisional Officer therefore
supplied the furniture to the General Hospital.

Under P.W.D. Code para 973 sub (1),
it appears to me that provision in account of
furniture should ordinarily not be made
unless authorized to do so by Government in the
estimate of P.W.D., but that the department concerned

should make their own arrangements for the supply of furniture, the charges being met out of their own grant. Sub Divisional officers have strictly been informed not to provide for furniture in the estimates submitted by them unless under special instructions from this office.

I have the honor to be

Sir
