NOTE OF REMARKS 16.6.11

The estimate under review
amounting to Rs 3080 pro-
-vides for improving the
Taluk Catechery at Kumba-
-konam in the Tanjore Dist.

It is explained in the
report accompanying the
estimate, that the exist-
-ing roof is very old &
consists of palm-leaf rafters
& country wood trusses
& bressummers, most of
the rafters & are decayed,
& the walls over the doors
& windows are in some ex-
-tended. It is therefore pro-
-posed to put the building
in order by taking off the
old country tiled roof
& substituting a Mangalore
tiled roof without a plain
ceiling, which is not con-
-sidered necessary, with
the exception of the cur-
-rent portion

which is to be roofed with
country tiles & constructed
with half-timber
arches over doors & windows.

The scantlings are correct.

The rates are fair.

Contingencies & Petty Super-
-vision are provided for
at about 4% each.

The estimate has
been countersigned
by the Collector &
approved in the
Revenue Department.
