the Public Dept.:-

Covered ways are
shown on the site plan
but it is stated they
are to be removed,
no provision is made
in this Est. for their removal.

In a foot note on the
same plan it is stated
that when the out-
patients dispensary
is extended at both
ends, covered ways
will be constructed
to the waiting rooms
for men & women.

C. P.

It is possible that the
removal of the covered
ways, refers to their removal
from the plan, as I don't think that
there are any covered ways existing - C. P. 15.6.91
