I don't whether this is regular. The
charge is not a P. W. one but just
thought to be debited in the Civil Ac-
count. Law charges. Should not
be paid by the P. W. but by the
or the Pleader. Set C. C. counter-
initals. W

To The Chief Secretary
For favour of counterinitals
accordingly. If the charge be
a legitimate one. then it is
apparently debitable to the P. W. b
under para 828 of the P. W. Code

To W.

The code rule as to final
tion of law charges is based on
ment of India P.W. Code, volume II
ter XIII, para 101 and if there is
doubt as to whether expression
charges should be held to
charges in criminal suits; it might
well to make a reference to the G
ment of India; but if Government
pared to rule that charges in cr
cases should be adjusted in the
Department, I am quite prepared to
cept such a ruling.
