READ—the following paper :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 17th June 1891, No. 547 G.D.

I have the honour to state that the old police station-house at Jaggampetta in the Godavari Eastern division was vacated by the Police Department in December last and was since then in charge of this department. The Collector of the Godavari district asks me to obtain the sanction of Government for its transfer, rent-free, to the Local Fund Department for locating a school on the condition of that department keeping it in proper repair. I see no objection to this proposal, and, therefore, recommend that the requisite sanction be obtained.

2. I know of no use which the building in question can be put to in this department and it is not required in the Police Department, as a new police station-house has already been constructed at that place.

ORDER—dated 1st July 1891, No. 1789 W., Public Works.

The transfer of the building to the District Board on the terms stated is sanctioned.
