To

The Superintending Engineer,

Andra Circle,

Comblatore.

Sir,

I have the honor to request that I may be furnished at your earliest convenience with proper working plans of the road and stone bridge for the Rajitri - Raman road. I should wish the plans to show proper details of the joints and fastenings. Very great trouble has been experienced in the smaller span bridges. In one place bolts were shown in the plan and rivets came out. But Mr. Allen having, as you probably know, great energy and also experience of the smaller spans managed to push the matter through. Unfortunately he has never put up any of these lower spans so it is very
