4TH JULY 1891, No. 1821 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 17th June 1891, No. 1476 M.W.

I am directed to acknowledge the receipt of your letter No. 1347 W., dated 15th May 1891, forwarding for confirmation Proceedings of the Government of Madras sanctioning the purchase of a building at Yercaud, Shevaroy hills, for adaptation jointly as quarters for the Sergeant Instructor, Yercaud Rifle Volunteers, and for an armoury for the corps.

It is stated, in regard to the rule in para. 460, India Army Regulations, Volume IX, which directs that the cost of armouries should be met from the capitation grant of the corps, that in view of the inconvenience which would result if the building belonged partly to the Government and partly to the corps, it is considered desirable that the property should be acquired and maintained by the State, a fair rent being charged to the corps for the portion occupied by the armoury.

2. In reply, I am to state, for the information of His Excellency the Governor in Council, that the Government of India would prefer that the corps should contribute a fair share of the purchase money for acquiring the building, and to pay a proportional share of the cost of repairs annually. The armoury repairs would thus be treated as a contribution work.

ORDER—dated 4th July 1891, No. 1821 W., Public Works.

Communicated to the Examiner, Public Works Accounts, with reference to G.O., No. 1346 W., dated 15th May 1891; also to the Superintending Engineer, IV Circle, and the Military Department for information and guidance, in supersession of para. 1, G.O., No. 987 W., dated 8th April 1891.

2. The Superintending Engineer will expedite the report called for in para. 2 of G.O., No. 987 W., dated 8th April 1891, as to the proportionate value of the part of the building which is to be set apart for an armoury. The cost of future annual repairs will be adjusted in the manner now ordered by the Government of India.
