No. 261 D of Cotaconund 27 May 91

Memorandum 1825/2

Office note from the Examiner
S.W. Accounts, No. 2876 dated 21 May 1891.

A sum of Rs 285-4-0 for land
acquired for a "Police office and
drill ground" in the Anantapur taluk
having been debited to the S.W.D.
in the Civil Exchange account for
December 1890, I addressed the Execu-
tive Engineer Bellary division in
view to ascertaining whether the
debit might be accepted and
whether the estimate for the work
when sanctioned would be en-
trusted to this department for
execution.

2. In reply he informs me that
if the estimate is sanctioned
the work would probably be
undertaken by this department
as it is expected to cost about
Rs 25,000 but that he has received
no orders and that no estimate
has

has been prepared.

3. Under the circumstances, I request to be informed with reference to Code para 1316 whether the work will be undertaken by the Civil or by the I.W. Department and if by the latter whether the debit of Rs 285-4-00 referred to above may be accepted and adjusted in the accounts of the C.W. Dept. in anticipation of sanction to the estimate.

Copy forwarded to the Judicial Department for favour of information whether the I.W. Department is likely to be called upon to execute the work.
